

Advanced Preparation Application

This year, you should finish your preparation

by 10:00 AM except for cooking.

You are allowed to start cooking (including preparation of ingredients) **from 11:00 am.** Cooking before 11:00 am is strictly prohibited to prevent the Tents from leaving their ingredients at room temperature for a long time. If you need to start cooking before 11:00 am, please apply on the Advanced Preparation Application.

The contents of the Advanced Preparation Application are as follows,

1. Reasons for the application
2. The desired time to start cooking in the tent.
3. The work to be done before 11:00 a.m.

The deadline for the application is **at 23:50, May 3rd.**

The decision to approve or deny the application will be made by May 4th, and the Hokudai-sai Office will notify the result to the applicants by e-mail at 09:00am, May 4th.

Tent Size

Each Tent is given the same size area (**3600 × 2700mm**). The participating group can prepare their tents either on their own or rent from the designated agent. If a group prepares their tent on their own, the size of the tent shall not exceed the area.

If **your tent is larger than the given area,**

we will ask you to suspend your business.
