

The notice about webpages for the Day 2024

the Hokudai-sai Office

Webpages for the Day are now available. You can check booklets, timetables, important notices about fire safety and food hygiene, and so on.

Please use them to **share information for your group members**. You can access all pages without login and use them in English and Japanese.

- How to access

Access to the official website for the participants of IFF 2024 and click the button, “**For the Day**”, or **read this QR code**.
